

Cracked Wall

The phone in Bobby's dorm room rang three times before he picked up the receiver and said, "Hello, who is it please!" "Oh, hi, Matt, sure, okay, in fifteen minutes, good, meet you there!!!" After hanging up the phone, he said to himself, "Wow, I haven't heard from Matt in over two months, and now he wants to play tennis, now, if I can only find my racket, we'll be all set!!!" It had to be in the closet, but it was so packed with junk it'd take a bulldozer to just to get to the bottom of it!! "Great," he said out loud, "the light's burned out, I'm never going to find it in time!!" After removing armfuls of junk, he finally pulled it from the closet floor, but in the darkness along the floor, a sliver of light from the adjoining room shown in along the floor. He thought about it for a second, trying to visualize what was on the other side of the wall, when it hit him, it was the women's shower room!!! A little guiltily, he dropped to his knees and peered into the small opening to see if he could make anything out! If he held his eye just at the right angle, he could see the lower part of adjoining room, but because these walls were cement block, he had about nine inches of brick to look through, which really limited what you could see!!! Not wanting to take any more time, he hopped up and headed off to play his tennis match with Matt!

At eleven o'clock the next morning, Bobby decided he had to find out exactly what part of the shower the crack in his closet was facing! It might be in a spot that offered no opportunity to see anyone, so no matter how he fixed the crack, it wouldn't make any difference!!! Checking to make sure no one was milling around in the hall, Bobby gingerly pushed open the door to the women's shower room and listened for the sound of running water, voices, or anything else for that matter, "Nothing," he said to himself, "okay, boy, it's now or never, let's go!!!" Quickly entering the shower, he passed the lavatory and made a turn towards the shower room itself! That's when he saw it, the crack in the wall that abutted his closet!!! "Holy smokes," he said excitedly, "You could see almost the whole shower room that is if he could knock out some brick so he could get his eye right up next to the crack closest to the shower side of the block!!! Making sure no one was in the hall outside the shower room door, he slipped back outside and headed back to his room, and made some plans!!!

A hammer and a cold chisel, two very simple tools, but necessary if he was to break away some of the concrete in his closet! Again, he went out into the hall and opened the shower room door, again making sure that it was empty, before returning to his room to expand the opening on his side of the wall!!! It was noisy and dirty work, but in less than ten minutes he had successfully removed enough concrete so that he could get his eye right up next to the shower room side of the wall!!! After removing the debris, he got down onto the floor and looked through the crack, "My god," he mumbled, "a perfect view of most of the room," now all he had to do was wait!!!

It was still pretty early in the day, and he was just about to give up until later that evening, when he caught a glimpse of legs passing by!!! He readjusted his position, and incredibly, not more than twenty feet away, he watched a tall lean red head calmly soap every inch of her body as she stood under the hot steaming jets water!!! "I've died and gone to heaven," he stammered softly while watching the willowy limbed woman turn and face him while running her hand all over her soap filled pussy!!! "Jesus," he moaned, "she's washing her cunt right in front of me, and she's beautiful!!!" Then, just as quickly as she arrived, she turned off the water and vacated the shower area, leaving him panting at what he had just witnessed!!! He had hoped it would be good, but instead he got excellent!!! After returning late that night from a study session at the library, Bobby went straight to the closet and assumed the position!!! What he saw surpassed even his wildest dreams; there right in front of him was the snooty brunette that never would give him the time of day, with her big firm tits, long slim legs, and a hairy pussy that looked like it could use a trim!!! What he was finding out even in just his first two experiences, and what was to become a basic truth on ninety percent of what he would see, was that the women spent an inordinate amount of time washing their pussies!!! The red head that morning had her hand on her muff for most of her shower, and here, Miss Stuck Up was casually rubbing her pussy as if it were a pacifier!!! All at once he saw her stiffen as her fingers disappeared into the lips of her twat, and he moaned, "My gosh, she just masturbated and had an orgasm, and when she reached out to steady herself by leaning against the wall he was sure of it!!! "Well," he said with a chuckle, "you can treat me like a door mat, but I've seen you jerk your clit, bitch!!!"

Over the next few days Bobby got a chance to see practically every woman on the tenth floor totally naked!!! It wasn't always the best bodies that were the most interesting either!!! There was an overweight dark haired girl that had incredibly big boobs with areola that must have been four inches across with thimble size nipples that always stayed hard!!! She was soon joined by a short blonde who had the lips of her pussy shaved smooth, along with outstanding tan lines where her tiny bikini had blocked out the sun!!! The two of them stood side by side soaping up, and even though he couldn't hear their conversation, it was evident that they were having a good time together as they both seemed to be laughing at whatever they were saying!!! After about ten minutes washing and scrubbing, the blonde walked over to the door leading to the lavatory, looked around, returned to the tubby brunette, and then incredibly, took a hard nipple into her mouth and sucked on it greedily!!! The brunette reached down between her legs and furiously frigg'd her clit until she shook in the throes of a shattering climax!!! Still stunned from the sudden turn of events, Bobby wasn't ready when the tubby brunette slid to the floor and calmly began tonguing the little blonde's bare cunt lips!!! That was it; Bobby couldn't take it any more, so he quickly pulled out his

already hard pecker and started jerking it wildly to orgasm while watching the blonde writhe around as she ground her slit into the brunette's eager mouth!!! As she was sucking, the brunette's huge chest swung back and forth, allowing her erect nipples to brush across her thighs, while the blonde twisted her own nipples and stood with her legs wide apart, allowing the brunette to service her demanding snatch!!! Bobby had never seen a woman{or man for that matter}, cum as violently as the little blonde as her hips bucked forward and her pussy careened out of control, while the brunette skillfully kept her mouth attached to the wildly contracting organ until every last bit of juice was swallowed down!!! The women didn't know it, but there were three people coming down from their sexual high!!!

Until the end of the school year, Bobby spent many and hour chronicling the showering techniques of his female dorm mates, even going so far as to taking his video cam and recording them all for posterity!!! For sure, those tapes would stay with him forever!!!
