

## Tabs

"What do you want to do this weekend ?" I asked my wife sitting on the love seat reading a novel.

"I don't know, what do you want to do ?" she answered.

"You know what I always want to do, but this time I thought I'd ask you."

"Are you insinuating that I would prefer to do some thing other than have sex ?"

"That's why I'm asking. We haven't enjoyed a threesome or couple for over a month. I was wondering if you were up for a little erotic fun ?"

"You probably won't believe me but I was thinking about contacting that "S" guy who said he'd be in this area over the weekend."

"Do you have his number ?"

"No. He said he checked his e-mail throughout the day, so why don't you e-mail him and see if he's up for an encounter."

"You want to fuck this "S" guy and you haven't even talked to him ?"

"We've talked."

"When ?"

"Remember, you gave him my number, he called to introduce himself."

Knowing that it wasn't that common for Janie to be in the mood for multiple partner sex, I immediately e-mailed "S" about a possible encounter. She was right, he checked his mail and called Janie on her sell.

"Hi ! I just received your e-mail about getting together this weekend. Where and when ?" he inquired.

"I was hoping we could go out for dinner, either at your hotel or Fisherman's Village ?" she replied.

"I'm staying at The Best Western and they have an excellent restaurant and bar."

"What time are you finished with business ?"

"I'll be at the hotel around five. Shall we meet in the bar?"

"Sounds like a plan to me. I'm really looking forward to meeting you in person."

"To be honest, after I saw those pictures of you, I've been dying to meet."

Janie hung up and began to get herself ready for their meeting in four hours. Throughout the afternoon I kept asking Janie what she was doing. The fact was she was making sure every inch of her body was perfect, hair, nails, teeth, and cleanly shaved pussy! Not only did she look good enough to eat, she actually wanted to be eaten.

We arrived at the hotel right on time, entering the bar Janie was pleasantly welcomed by Mr. S.

"Good afternoon, why, don't you look beautiful !" he informed her.

"Thank you and you look handsome yourself." she smiled.

Seated at a table next to the window he asked Janie what she wanted to drink. "Grey Goose on the rocks with an olive, please." she made sensual eye contact. Bye the way I've only known you as Mr. S, what does the "S" stand for?"

"Samuel, everyone calls me Sam, and I prefer Mr. "S."

"Is the "S" for superman?" Janie smiled.

"Sort of, it stands for Studly." he said proudly.

The beverage was served and the conversation switched from general information to specific.

"How long have you and John been enjoying multiple partner sex ?"

"How long do you think we have ?" she responded.

"Based on our communication your not new at this."

"Correct, we're not new, but we only engage with people we become friends with, like you."

"As I told Janie when we spoke, my wife knows I fool around and she does when I'm out of town, but she doesn't want to know with who I fool around with. It is sort of like don't ask, don't tell."

"It turns me on when Janie has sex with another man. The more you can please her the better I like it."

"I know what you mean, because when I know she's out fucking it really excites me. In fact our best sex is after she has fucked another man that day !"

"Shit, I love watching Janie being fucked so much that after you've cum in her tonight, I'll eat her cum soaked, just fucked pussy, into submission."

"Have you ever eaten her while she is being fucked ?"

"I haven't had the luxury, but we sure could do that tonight !"

"Sounds like a plan to me !" Janie interjected.

"Shall we eat now or have another drink, what do you think Janie ?" he asked.

"I think we should have one more drink, go up to your room. Then come down and have dinner and go back up for another round."

"Jesus, you lucky son of a bitch, what a woman !"

"The best is yet to cum." I reassured.

The round of drinks came and went in a flash and we were on our way to Mr. "S's" room. Once in the room he and I removed our clothes while Janie slipped into the bath to change. We were lying on the king size bed as she walked out of the bath wearing only a smile.

Sam's eyes almost bugged out of his head as he followed Janie's path between us. Crawling on hands and knees she paused to kiss Sam on the lips before coming to rest between us. Facing him she began the seduction by kissing him passionately. He responded by returning the affection increasing the heat by fondling her breasts.

"Oh my god !" she gasp as she discovered his thick cock stiffening between her legs.

"Is everything alright ?" he asked removing his lips from her erect nipples.

"I love your beautiful cock Mr. "S." she purred.

"It's all yours tonight." he replied softly with a smile.

Janie arranged herself to take his throbbing dick into her mouth. "Oh, suck it bitch !" he said lying back to fully enjoy the stimulation of her mouth on his erection. Janie gave him a blowjob he'd remember for ever ! She excited the head, shaft, and balls. Several minutes into the oral event of his life he suddenly asked her to stop.

"What's the matter ?" she asked taking her mouth off his cock for the first time.

"I almost lost it !"

"You can cum in my mouth if you'd like too." she informed.

"It's to fast ! Your too good to cum this quick."

"We are going to do it again after dinner you know ?"

"I know. I just want it to last a little longer it's so good."

Janie could tell he was serious about not wanting to cum yet, so she expelled his dick from her mouth.

Sam reached down taking Janie from his crotch up to his waiting lips. He kissed her continually thanking her for the fabulous blowjob.

Beginning with her tits he once again aroused her nipples before going down on her pussy. The moment his tongue caressed her clit she broke into praise, "Oh, are you good!"

Her constant moans , groans, and words of praise motivated him to eat her aggressively. Succeeding in causing her to climax, what would be considered a mini-climax, she first praised his efforts then asked him to finger her while he ate.

Following her request his fingers rapidly penetrated her pussy as his tongue excited her swollen clit. She screamed, "Yes, I'm cuming !etc."

"Don't stop Sam, eat her to the next level. Help her by inserting a finger gently in her asshole."

Following my suggestion and hers, he fingered both her ass and pussy. Within minutes the triple stimulation caused her to erupt in uncontrollable orgasm. Screaming, "Yes, yes, yes, etc." her body twisted and turned in waves of pleasure.

Soon her verbal expression was solely to get him to stop. Releasing her from his grasp, he rose up positioning himself to penetrate her pulsating pussy with his huge cock.

Janie reached down grabbed his cock and guided it into her satisfied pussy. The size of his dick stretched her wide and she gasp, "Oh, is that big !" as he began to push deeper into her hot, wet, cunt.

"I'm not going to last very long." he warned.

Wrapping her legs around his waist, her arms around his torso, she seductively encouraged his ego. "I love your cock ! Fill me with cum !!"

Fucking her like a wild man he began to empty his huge loads into her milking cunt. Feeling him ejaculation she ordered him to fill her with cum.

"Fill that pussy ! Fuck it and fill it ! Oh, yes cum in me !"

Sam let every bit of energy go shooting load after load deep in her cunt.

"You sexy bitch, you love it!"

"I love your cock and I love being filled with cum."

"Excuse me, it's my turn. Are you ready to have the fuck eaten out of you Babe ?"

"Oh, yes ! Eat my just fucked pussy !"

Mr. "S" watched in amazement as I went down on Janie pussy eating her into submission within a few minutes. We never did asked him what excited him so, but when Janie couldn't take another lick from me, he jumped in and fucked her again.

I noticed that he placed a breath-tab on his tongue before he positioned himself for entry. A stiff, thick, dick forced it's way into Janie's totally satisfied cunt. "Fuck me you stud !" she ordered feeling her cunt stretch wide.

"You love it bitch !" he ordered pounding hard and deep into her.

"Yes ! Yes ! Oh god yes, I love it !" she gasp in response.

Mr. "S's" demeanor had changed from a more sensual fuck, to a ruff hammering which Janie welcomed with constant words of praise.

"Fuck it harder Studly" she teased.

Placing her legs over his shoulders he began to pound her exposed pussy relentlessly. She responded to each tremendous thrust with, "Harder Studly !"

Mr. "S" changed the position again to enhance his ability to pound her until she screamed uncle. Placing her on all fours he directed me to get under her and eat her pussy while he fucked her from behind.

Janie's erotic mood changed to pleasurable arousal as my tongue caressed her clit with Mr. "S's" dick thrusting into her cunt. Admittedly, it was different being that close to a cock, especially when it slid across my tongue ! However, Janie was having the time of her life.

"Oh, god, I can't stop cuming!" OOOooh ! Yessssss !" She erupted in powerful, breath-taking, climax !! Mr. "S" followed in her waves of eruption with huge releases of cum, jerking it all over her ass !

All three laid exhausted on the bed. About fifteen minutes went by before Janie slid out from between her two wasted lovers. "Anyone ready for dinner ?" she asked going into the bath to clean up.

"Oh, fuck man, is your wife a fabulous fuck !"

"You really got her off ! It was a fabulous fuck."

"What are you two talking about ?" Janie inquired entering the bedroom fully dressed.

"What a great piece of ass you are." both laughed.

One at a time every got ready to go down for dinner. Mr. "S" made it perfectly clear that he was going to pay for dinner, and we should celebrate having surf and turf with champagne.

The table for dinner was perfect, off by itself in a corner window. Before the meal and champagne Janie and Sam had Grey Goose on the rocks with olives. The conversation became very in lightening.

"Can I naively inquire about the tongue tab you took before you fucked Janie the second time ?"

"That was a stiff-up tab. It gives an instant erection that lasts until you cum. They are all natural ingredients, nothing that can hurt you. Woman take a half and enjoy intercourse like never before."

"I don't think I should try it, do you Babe?"

"I certainly would. Remember, grab all the gusto?"

"Your right, it's all natural, right ?"

"Janie, it can't hurt you. My wife and I have both used it on a regular basis."

"By the time we get through dinner and champagne we'll all need a Stiff-up tab just to function."

The evening progressed with an abundance of touchy, feely, under the table. Janie, essentially ate dinner with one hand while stroking Mr. "S's" erection with the other. In some sort of wonderment she praised, "My god Studly, your still hard !" she leaned toward him, kissing briefly.

"Easy sexy, or I'll mount you right here in the restaurant."

"I don't need one of those tabs, I'll fuck you right here!"

"Easy, you gorgeous piece of ass. Wait until we go back upstairs."

Both were able to contain themselves through dinner and two bottles of bubbly. The short walk to the elevator and down the hallway to the room was horny, sexy, and risqué.

Mr. "S" and Janie bounced off the walls kissing and fondling each other making their sig, sag, stagger to the room.

There was no need for seduction, everyone was naked immediately. Mr. "S" tactfully removed a Stiff-up tab and handed it to me. Using the technique referred to as implied consent, he cut a tab in half placing it on Janie's tongue.

"How soon should I feel something ? Uh, oh, oh my god! My pussy is waking up !"

Mr. "S" positioned himself between Janie's spread legs. Not unlike oral excitement before Janie's pussy exploded in pleasure with a tongue caressing her swollen, erect, clit.

"Oh Studly, don't ever stop ! I've never felt so good ! Oh, yes ! Put a finger in my cunt." she continued to praise, "God, can you eat pussy! I love it, I keep cuming !"

Studly worked fingers in her cunt before adding another in her asshole. The result was Janie exploding in massive, repetitive waves of climatic pleasure.

Thank goodness we were in a hotel room with out many guests in nearby locations because Janie screamed in glorious climax.

"Cuming ! I'm cuming ! I can't stop ! Oh, Studly you're the best ! Eat me ! Oh, fuck, I can't stop. Yes, oh fuck yes etc.!"

After keeping her in non-stop climax until she became so exhausted she couldn't respond to his flicking tongue, he ceased.

"Suck your husbands dick bitch." he ordered positioning himself for doggie style entry as she sucked my rock hard Stiff-up erection.

The tab not only made her pussy needing to be eaten and fucked, but her oral attack was a lot more aggressive than normal.

"Oh, fuck Babe !" I gasp as she deep throated my cock like never before.

The Stud hammered her from behind with the only time she took her mouth off my dick was when she'd climax on his cock.

The three fucked and sucked until all three released their built up loads. Studly emptied a gallon of cum deep in Janie cunt as my huge loads shot down her throat. Janie let out a single word of release, "Fuck !"

All participants laid motionless, other than heaving chests, on the bed recovering from the best sexual experience in memory.

Following a warm thank you kiss from the Stud, he exclaimed, "Was that the best ever or what ?"

"It sure was ! I can't remember enjoying it so much !"

"I told you those tabs work."

"God, did they !"

"I don't know about you, but if I wasn't exhausted, I still like to fuck you."

"My pussy wants more but my body says forget it !"

"Hey guys, it's still early. Let's have another drink and see how we feel then."

"That's my husband, always thinking of more."

"I like the way he thinks," the Stud smiled.

"Oh, so many men, and so little time," Janie quoted. The group took a long deserved break.

Nobody bothered to dress, about an hour later Janie asked Mr. "S" if he'd like to take a shower with her. They exited leaving me asleep on the bed.

With the warm water covering their bodies they soaped each other before rinsing thoroughly. Janie knelt taking The Studs erection into her mouth. He placed his hands on her head helping her take his entire cock down her throat.

"You are a fabulous cock sucker woman."

"Call me a bitch, it turns me on."

"Suck it bitch ! Suck it like a whore !"

Janie moved her lips up and down his entire shaft, massaging his balls at the same time.

"Oh, fuck bitch you can suck cock ! Your good !"

Janie sucked him aggressively until she tasted a small load of pre-cum. Releasing his throbbing erection, she turned presenting herself for rear entry.

Guiding his hard dick to the entrance of her pulsating pussy, he plunged forward with his balls slapping against her ass.

"I'm going to cum bitch," he warned.

"Don't cum yet. Take me up the ass first."

"Are you sure? You said you didn't do that."

"I want it ! Fuck me up the ass!"

"You asked for it bitch," he said removing his cock from her cunt positioning it at the opening of her ass.

"Ready ?"

"Yes, fuck it !"

Mr. Studly pushed hard into her asshole.

"Oh, fuck, hurt me !" she cried as he sank to the depths of her ass. "How's that bitch ?" he asked.

"Fuck it ! Oh, god, I love your cock."
