

my boyfriends cousin

"JASON PUT ME DOWN" i laughed as he put me down. "jason is that you" said an attractive man running up behind jason. I looked at jason and smiled at the tall man beside me "and who is this cute lady" the man said. "oh my god cous whats up, kaity this is kevin my cousin and kevin this is kaity my girlfriend" i smiled shyly and jason put his arm around me like i was his property. "wait dont you live right next to me" i smiled and said "yeah i do i just have never met you i guess". Jason looked a little jealous at the time so i grabbed his hand and pulled him closer to me. Jason kissed me and said "we will be at kaitys house so if you want come over later and we will hang out with patrick." He pulled me his way and i looked back at kevin and smiled and kevin winked. When me and jason got to my house he got a call and had to leave so i kissed him goodbye. A couple hours later i heard a knock at the door and when i opened it kevin put his arm around me and shut the door. "kaity is jason here" i looked at him and said "no..." and he started kissing me. I pulled him closer and he picked me up around his waist. He walked me toward the couch and stripped. I then stripped myself besides my thong because kevin said he wanted to do that. He got on his knees and bit the thong and pulled it down with his teeth. He made out with me and finally stuck his cock deep inside of me as i screamed and said "NO DONT WHAT IF I GET PREGNANT BITCH." He backed away really fast and smiled and kissed me. A minute later there was a knock at the door. Kevin put his clothes on and ran out the back door and i went to the sink dunked my head in water, threw my clothes in the bathroom then got a towel and went to the door. Jason was standing there and looked at me and laughed. I looked down and realized that the towel had slipped. He picked the towel up and kissed me.
