

sexy sarah

"sarah wait up"i yelled as i ran down the side walk.Sarah was wearing her cheer outfit.I put my hand on her shoulder as she turned around then smiled"hey"she said"what do you need allen."I smiled and said"do you want to come study at my house my parents arent in town"she smiled and said"i would love yo...i mean to."I walked away and smiled a huge smile and whispered"YES."That night i took off my shirt and put on basket ball shorts.I heard a knock at the door and when i opened it sarah was standing there with a short pink dress on,her straight blonde hair waving around and her smile flashing bright.I let her in and pointed her to my room.She sat on my bed and crossed her legs and i sat by her and picked up my books.I scooted as close as i could and dropped my book."whats wrong..."then i kissed her and as i did i squeezed her titts.She moaned and squeezed her legs together so i new she wanted more.I got up and took of my shorts and boxers and i took off her pink dress.She was wearing a pink bra and a pink thong.I stepped back and admired her skinny teen body.I pulled her up above me waist and pushed her onto the bed i asked her if she was a virgin.She looked at me and said"yeah so youll be the one to pop my cherry"i smiled and then said"great but since it`ll hurt ill be gentle."I put my dick outside of her pussy hole and then pushed it in a little and moaned and all of a sudden she screamed and started to cry.She looked at me and said"its ok keep pushing"i kept pushing and a couple minutes later she moaned and moaned louder.I smiled when she pulled me and got on top of me.She pushed my dick up and down faster and faster into her tight pussy.A couple minutes later she had an organism and i cummed in side her not relizing how much damage that could do.She pulled off me and said"SHIT,SHIT,SHIT IM GONNA GET PREGNANT"she put her clothes on and i grabbed her and kissed her.She smiled and said"ill see you later"i waved and laughed.

About the Author

I loved her so much and she did get pregnant after that.We now are married and have triplets and a baby girl.I have to girls and to boys there names are jasper,will and the girls names are caitlyn,kenzy they are all to little to talk but they learned how to hit early.
