

“Oh, god yes!”

Ally and I had always had the fantasy of having her enjoy a sexual encounter with an African American. The only thing keeping us from accomplishing our fantasy was finding a Black partner. Over the course of ten years we had come close, but no cigar! While checking my email the morning before we were to leave for Daytona and the 50th 500, we received an email from a divorced, black, male! Immediately I answered. He had seen Ally's pictures on the adult dating site and commented on her sexy looks. We exchanged pic's and the moment I saw his body, face, and dick, I knew he was the one we should pursue. During the drive up to Daytona, since I hadn't informed Ally of my find, I introduced the subject of fucking a blackman. We discussed the subject in general terms, but I didn't mention my discovery of Jamel !

That evening, after returning from the truck race, we ate in the room. Both being in a horny mood we soon found ourselves in Ally favorite position with me between her legs eating her smoothly shaved pussy. “Think of a strange tongue eating you!” I encouraged.

“I am, oh, god I am!” she moaned as I added a penetrating finger in her cunt. I fingered and ate her until she experienced her first mini-climax. Adding a second digit up her asshole, she moaned like a whore in heat. “Oh, YES!” she screamed as a powerful eruption ripped through her pussy. Kissing my way up her body I kept suggesting she find a dick in the bar and fuck it! “I will” she erotically assured me. With her legs over my shoulders and my dick hammering her exposed pussy I coaxed her with idea's she'd thought of, “Go get a biker from the bar!” “I will” she'd answer. “You need a strange dick Babe.” “I know.” she'd reply. “You need to be fucked!” “I know.” she'd respond. I was unable to hold back and filled her with cum.

After falling off to her side I kissed her tits and calmly said, “You should have pulled off my dick and gone to the bar and found a biker to fuck!”

“Maybe tomorrow night I will.” she answered.

During the night I dreamed about Ally fucking a blackman. I woke with the need for pussy and gave Ally my familiar morning order, “Fire it up and back it over here!” Ally lubricated her pussy and I slipped it in from behind.

“Oh, Babe, that's good!” I said as my dick humped in and out of her pussy.

“I love your dick.” she said as we fucked.

“I want you to fuck a blackman, Babe.”

“I don't know, maybe, sometime.” she stumbled.

“Common, be honest with yourself, you want it and you know it. Now get horny for it!”

To appease me she agreed and began to talk about being fucked by an African American. The thoughts she mentioned turned into scenes in my brain and I ejaculated into her cunt.

After breakfast we left for the track. On the way we continued to talk about sexual encounters that could take place if she'd get horny enough. The seats we had for the race were perfect. Not because they were 40 rows up, and you could see the entire track. Not because they were directly across from the pits, where all the action takes place. But, because the fan sitting in front of us had a t-shirt that said, “RELAX it is only sex.” From the moment Ally saw that sign her attitude changed toward wanting a black sex partner.

Tony Stewart won the Nationwide Race and we got back to the hotel just in time for dinner. Unfortunately there weren't any prospects in the bar or dining area to seduce back to the room. Ally and I got drunk,(Ally) and stoned (Alex). The sex was excellent and we both experienced climax fantasizing about her having sex with a black partner.

The 500 was excellent with Ryan Newman winning. We got to Winter Haven around 10pm and stopped for the night at The Clarion. The next morning we made a leisurely drive home. The first thing I did was look at the email. Jamel had sent his cell number so Ally could call him to see if he was a nice guy on the phone and had a sense of humor. At seven o'clock I gave her Jamel's number and she went into her front room, where she felt comfortable calling.

“Hi, this is Ally from the aff site?”

“Hello, Ally.”

“I was calling to see if you'd like to get together, at our condo, to meet and have a drink.”

“I would like that very much. I get off work tomorrow around 5pm and I will give you a call to get directions. I'm looking forward to meeting you. I loved your pic's on the site.”

“I enjoyed yours also. Can't wait until we meet.”

With a smile from ear to ear Ally announced her victory, “He'll be here tomorrow night!”

“Are you going to fuck him?”

“Absolutely, I want that big black dick!”

“Now your talking like the woman I love. Oh, Babe your turning me on!”

“Take me into the bedroom and eat me right now!”

“Don't you want to save it for Jamel to eat?”

“No. I want to cum right now!”

We headed off to the bedroom where I ate her into submission. As she laid gasping for air, I asked, “Thinking about that big black dick?”

“Oh, yeah. I hope I can take it.”

“You can handle it. He is about the same thickness I am, but two inches longer!”

“A black dick Babe, I'm going to be fucked by a black dick!”

"Considering he's 43yrs old, a fabulous rippled body, and a ten inch dick, you going to be really fucked good!"

"I know, I can't wait!"

Tuesday evening couldn't get here soon enough. Jamel, being the perfect gentleman called her as he turned onto our street. Ally immediately went out to meet him and see his truck. She expected a pick-up, but a huge black Lincoln Navigator pulled into the driveway. A tall 6'4", handsome, blackman stepped out.

"You found it all right." she said as he approached.

"The directions were perfect." he said, bending down to embrace her briefly.

I stood at the entrance and watched as they walked toward the condo. Ally looked so tiny next to Jamel's tall, thin, frame as they approached.

"Jamel, this is my husband Alex." shaking hands.

"Would you like something to drink?" she asked.

"Anything with bubbles, coke, Pepsi, etc."

"You don't want alcohol?"

"No, I'm driving."

The three of us headed to the lanai. Ally and Jamel sat kitty-corner on the loveseat and sofa. He began the conversation with Ally about the people he had met on the site. Doctors, nurses, interns, etc. and a lady doctor in PG that he visited for sex on occasion. One drink and Jamel asked if she'd like to play. Her smile encompassed her entire face as she gasp, "Yes"

Ally and Jamel stripped and got onto the bed with Ally praising his beautiful dick.

"Oh my god is that beautiful" she said placing a hand around the shaft. A peck on the lips and she engulfed his stiffening dick. Running her mouth up and down the shaft and her hand working his balls she asked, "How does that feel?"

"Very good!" he assured her.

She sucked him hard and once fully erect he re-arranged their positions, placing her on top in the sixty-nine position. Not only did he eat her pussy, he ate her asshole! "Oh my god is that good!" she gasp as his tongue penetrated her ass. They aroused each other relentlessly with Ally stopping only to gasp, "Oh, yes!"

"Would you please eat me straight on, I like it that way much better." Jamel moved between her legs. His oral talent was superb. He made her cum in quarts fingering her cunt as he lashed his tongue upon her clit. With her cunt flooding, he switched position putting his dick into her cunt. The first ten inch thrust was welcome with a "God, is that good!! Holyshit! What a cock! Oh, Jamel, fuck me! Yes, oh, yes, fuck me!"

Jamel was an expert fucking my sexy wife in that he didn't hammer her, but made long romantic strokes. They'd kiss frequently, he'd changed speeds, and then after five minutes of sensual love making he took in a positioned never before tried.

"Ly on your side." he directed. Lifting her leg, he penetrated from a kneeling position. I was amazed how much she enjoyed the deep thrusts he made. Not only was the sex fabulous to watch, but the contrast in color was dramatic! That huge black dick in her little white shaved pussy caused my dick to leak cum.

I had dreamed how it would look, but the reality was over whelming.

Another changed had Ally on all fours at the edge of the bed. Jamel standing on the floor, penetrated her cunt from behind. With his hands on her hips he pulled her up and down his entire shaft. "Oh, that's good! Etc." she continually screamed. He increased the rapid thrusts until he'd fucked her into the center of the bed. "Okay, now you ride it!" he encouraged.

Not having to be told twice she mounted his rock hard weapon of pleasure. The visual of his black hands on her white ass, as a black, ten inch dick penetrated my wife's cunt was mini-climax causing for me. My sexy wife was having the best fuck of her life and we were both enjoying it! She fucked him until she climaxed and he fucked her long after she'd stopped.

When Ally regained enough energy to lift herself off his body she immediately took his cock into her mouth. Sucking it for a short time, "Did you cum?" she asked before putting her mouth back on his dick.

"Just a little." he replied smiling.

Jamel laid back enjoying the blowjob for about five minutes. Rising up he informed Ally that his nipples were connected directly to his dick, "Twist them and I'll fill you with cum." he said, placing his newly lubricated dick in her cunt.

This time he wasn't trying to please Ally, he going to please himself by cuming in her cunt. Experience has taught us that no two white males cum the same way. I suspect that all black men are different too, but Jamel's climax was outstanding to watch. He began to cum almost instantly after Ally began to twist his nipples. I could see an abundance of white creamy cum pouring out of Ally's cunt as he continued to hump. His body would make contracting shakes every time he released a load. I counted at least seven massive ejaculations. When he pulled out, he presented his cum covered cock for photo's. His black shaft was almost completely white with cum! Ally entire crotched was covered, and later I enjoyed sloppy seconds, he filled her full !

Jamel cleaned up immediately and was about to leave for basketball practice when Ally asked, "Can we do this again soon?"

"Call me any time you want to play." he smiled and left.

"Well, was that the most exciting fuck of you life or what?" I asked.

"That was amazing. I really liked it."

"Do you think you will fuck him again?"

"I sure hope so!"

The End.....maybe.
