

## The Houseboat

While engaging in multiple partners with Jon, Ally was in phone contact with another prospect from the Yahoo personals. The individual lifted up outside the Orlando area. When asked about her contact she simply would reply that he seemed to be a nice guy. The phone contacts were frequent. The content started out with general subject matter but grew to include graphic sexual descriptions. Ally mentioned on several occasions that Rich would interject an Elvis quote after any type of praise. "Thank you very much!" was his phrase of the day.

One evening while in bed fooling around the phone rang, it was Rich calling.

"I'm in bed with Alex." she answered.

"Is he fucking you?"

"No, he's eating my pussy and it feels good!!" she teased

"Do you know what I'm doing?"

"Most likely rubbing your dick!"

"I'm thinking about his tongue on your clit! Does it feel good?"

"The only way it would feel better is if it was yours!"

"I want to put more than my tongue in there, are you ready for the big one?"

"Oh, yes! Oh, his fingers are in me! Does that feel good?"

"Don't let him wear it out."

"There is plenty for you, Rich."

"Thank you very much!" he responded in his Elvis voice.

Ally continued to describe the oral sex she was experiencing with Alex. Rich was getting turned on listening to her while masturbating. She graphically described the finger fucking and tongue lashing she was enjoying. Rich could tell by her moans and groans in between the descriptions, that she was in the orgasmic zone. In the middle of an explanation of how Alex's finger's felt in her asshole and pussy she heard Rich ejaculate.

"Did you just cum?"

"Yes, thinking about you!"

"We have got to get together." Ally offered.

"That's actually why I called. Can you and Alex join me on my houseboat this weekend?"

"We can come up on Saturday. We'd get there about 4:30 or 5pm."

"I'll be looking for a gorgeous woman in the marina parking lot Saturday afternoon between 4:30 and 5pm."

"We'll be there! Bye, see you Saturday."

Alex questioned Ally about what had excited her to communicate with Rich over the past couple of weeks. She explained that Rich had been up front with her about being in a horrible divorce. They would have to be totally discrete. He was an elected government representative from the Orlando district. Any news of being evolved with another married woman would destroy his career. Ally had promised not to disclose to anyone their upcoming encounter. Rich also had been fun to talk to. He was humorous, and up until recently he had been non-sexual in nature. The phone sex call was only the second time sex had been part of their weekly conversation. They had discussed their favorite sports, foods, and activities. Rich had offered his houseboat for lodging when Ally went to her next NASCAR race at Daytona. Ally had one of those personal feelings about Rich; he seemed like a friend to her and was comfortable to talk to.

The trip up to Orlando was about two hours. Alex continued to question Ally about Rich. For some reason he felt she knew more than she was disclosing. When all was said and done all Ally wanted was to fuck someone new! They arrived at the Marina outside Orlando at 4:45pm. Dressed in a white shirt and white shorts Rich met them in Guest Parking. Seeing Ally for the first time in her mini-skirt and tank top Rich was watering at the mouth.

"Welcome to Cove Marina." he extended his hand for Alex to shake.

"Thank you for inviting us." Alex replied shaking hands.

"You didn't tell me you were so handsome?" Ally seduced shaking Rich's hand.

"You're even more gorgeous than I imagined." The new couple awkwardly avoided kissing. Rich led them down a series of wooden gangways to a slip where his thirty foot houseboat was moored. Rich was little man only about an inch taller than Ally. Alex could see why Ally was attracted to him because he was easy to be with. Making drinks for the group Rich suggested they have a couple of cocktails before going to dinner at the marina club house. There was a thunderstorm in the distance and Rich wanted to be back onboard before it hit.

Seated in the stern on captains' chairs the conversation was light and humorous. When Ally and Rich went inside to make another drink, Alex took the walk around up to the bow where he enjoyed a joint and cigarette, listening to the rolling thunder of the storm about an hour or so away. Sound travels over water almost magnifying the volume. The thunder would roll from the distance, then off into the other direction.

"Oh, my god!" Broke the silenced of the marina. Alex moved back down the walk around to see what had excited Ally. Alex's vantage point was from the side of the houseboat looking across at Rich, seated in the captains' chair. Ally was on her knee's, holding the largest white cock Alex had ever seen. He stood motionless watching as Ally began to suck Rich's giant cock. He thought, "A foot of cock! Holy shit, how is she going to handle that?" Ally wasn't scared by the giant pennies, she was excited by it! Sucking, licking, and tonguing the engorged head she gave Rich the erotic thrill he'd been searching for. Taking about half into her mouth, she masturbated him with one hand, massaging his huge balls with the other. Rich shook his

head in amazement, "You're unbelievable! Can you suck cock! Thank you, very much!" gasping in his Elvis impression.

Ally made love to the engorged head of his dick like he'd never dreamed possible. The moans and groans were sensual and grew louder as the first taste of pre-cum touch her tongue. Being above all a gentleman, he warned her of his rapidly approaching eruption.

"Easy Ally!" he gasps, grabbing her head with both hands to stop her avouchment.

"You can cum in my mouth if you'd like too. I love the taste of your cum, its sweet!"She seduced. Rich released her head, preparing himself to hold back his climax for as long as possible. Knowing he was close to Cumming she changed her oral arousal from his dick to his balls. Life's experiences, giving oral pleasure, had taught Ally how to magnify the ejaculation in both intensity and volume. Sucking one nad into her mouth, she'd swirl her tongue around it and poor Rich would straighten up in his chair and gasp for air! When she sucked both into her mouth, Rich went ballistic!

"Fuck! is that good ! Amazing, simply amazing!"etc.

Rich relaxed when Ally released his balls, going back to making love to the head. Slowly she increased her sucking and rubbing. The strain on his face was very noticeable. He struggled so hard holding back his face became flush red! "Oh, oh, oh," then a gasp loosing his breath, Boom! Rich exploded! Ally moaned in lustful pleasure as she tasted and swallowed every drop of Rich's massive ejaculation. After sucking him dry, she seduced, "You came in quarts! Wow, do you taste good!"

Rich wasn't lost for words just out of breath. When he finally recaptured his composure, "Holy shit! What a fucking blowjob! God, can you suck cock! And what you did to my balls! They will never be the same!"

"Why didn't you tell me you had the most beautiful cock in the world?"

"I wanted you to be surprised!"

"I can't wait to fuck it!"

"You know we should go eat. The storm is getting closer." Rich advised zipping up his shorts. Alex was only a step from the ramp, joining them as they walked to dinner. Rich suggested they select items that were quick to prepare so they could eat and back to the boat before the rain arrived. Knowing from their make-out session before Ally when blew him, he knew she was panties-less under her mini-shirt. So waiting for the food to be served, being the only patrons in the room, Rich let his fingers do the walking. Ally enjoyed the location, with the chance of being caught, spreading her legs wide under the table. Rich muffled her moans of lustful pleasure by placing his lips on hers. The meal arrived; Rich ate with one hand leaving the other in Ally's pussy. Their wasn't much talk as they hurried to beat the storm.

During the walk back the clouds opened and all hell broke loose. The lightening was everywhere! The trio ran to the boat, soaked they gathered in the living area. Rich handed out towels and as they dried off the storm grew louder. Ally hates thunder and lightning and cuddled between the men on the couch.

Alex is one of those nuts who loves thunder storms. While Rich and Ally cuddled on the small couch, Alex stood at the rear door watching the light show. Turning around toward the living area he saw the horny couple making out. Rich's shirt was off and he was pulling hers off over her head. Alex watched as Rich attacked Ally's tits like an animal. Noticing her surgery scare, she informed him,"

"Breast cancer, a good surgeon."

"You can't really tell." he said kissing her exposed breast.

The clothing came off and Rich took control lifting Ally up and onto his fully erect foot long cock! Alex thought, "No way she can take that!" as he watched Rich sink in the uncharted depths of her cunt!

"It's in all the way, are you okay?" he asked.

"Yes! It feels so good! Fuck me! Fuck me good! she begged.

Rich, holding her ass cheeks, helped her move up and down his shaft. Ally placed her hands on Rich's chest, which gave her the leverage to move aggressively.

"God, is that good! etc" she kept saying moving her cunt like a whore on a mission.

"Fuck me woman ! Moved that cunt ! he coaxed. Ally responded with harder, faster, thrusts.

Rich, having climaxed an hour ago was along way from cumming again. He wanted Ally to get as horny as possible fucking him so he could eat her excited cunt ! It didn't take long before Ally's gasps of "Yes", gave her climatic condition away. Rich helped her off his buried dick and carried her to the Captains Quarters. The room was essentially one big mattress. Rich laid Ally in the center, positioning himself between her legs. Spreading her pussy lips with his fingers, Rich attacked her clit with his tongue. Ally immediately erupted in verbal praise. "Oh, is that good ! What a lover ! Eat me ! Oh, yes !" etc. Rich was an excellent pussy eater. He preformed like a pro, eating slowly at first, exciting her clit, pussy and asshole. The finger fucking was aggressive, just the way Ally liked it and she rewarded him with massive explosions of lustful pleasure. Rich let her enjoy the feeling for a short while before he wanted to re-penetrate her pussy.

Ally's soaked pussy was ready for Rich's huge dick as he mounted up. The initial warm-up fuck had loosened her enough so she was ready and waiting for that hunk of meat to fill her again. "Oh, yes !" she praised as Rich pushed deep into her.

"God, your tight Ally !he said sliding his manhood in and out of her cunt.

"Oh Rich, fuck me with that beautiful cock !"

"You like that big cocks woman?" he gasp humping faster.

"Yes ! Fuck me !"

Rich used his semi-muscular body to answer Ally's erotic request to be fucked. Like the majority of great fucks they usually only last about five to ten minutes. Rich was no exception. About an eight minute hammering of Ally's cunt and they both were ready to cum in quarts. Rich's body stiffened, and he unloaded another massive load, like the one he'd emptied into her mouth. Rich exhausted rolled off to the side, while Ally got up and joined Alex in the living area.

The storm was still rumbling and Alex watched the lightning fill the dark sky. Ally sat on the couch recovering with a nightcap. Being the only one who hadn't climaxed as yet Alex sat beside Ally and ran his fingers between her legs.

"Oh Babe, your full ! feeling nothing but cum.

"I know, Rich really filled me !"

"How did that huge cock feel in you ?"

"Big ! Very big ! And good ! Very good ! Did you notice he made me cum?"

"Oh, yes ! It almost made me cum ! It was a great fuck !"

"What are you doing ?" she asked feeling Alex's fingers penetrating her cunt.

"I want to eat the fuck out of you !"

Ally didn't have to answer, she lay back on the couch and spread her legs.

He didn't know how he developed it into a fetish, but Alex loved to eat Ally's just fucked cum soaked cunt. Buried in her pussy he ate, licked and sucked every drop of lust given cum from her cunt. The oral stimulation would make her climax sending rivers of cum out of her cunt onto the couch.

Rich reappeared as they were wiping up the evidence, taking a seat in the eating area.

"What time is it ?" Rich asked.

"9:35pm."

"The night is still young are you ready to go again you two ? Alex inquired.

"Shit, I'm going to need at least another hour to recover if I can."

"The storm is letting up, I'm going on deck to check it out." Alex left for the poop deck.

Rich turned to Ally as Alex left, "You can do it again ?"

"I could do it all night with you." she seduced.

"I'm not bragging but most woman have it once and that's it for them."

"Because your so big ?"

"I think so."

"Well, their crazy, I think your fabulous, and I love your cock !"

"There is no question that we had great sex tonight, and I'm glad you liked it. Give me a little time and we'll go for it again."

"Sounds like a plan to me. How about another drink ?"

Alex was in and out as the showers would stop and start. Rich and Ally sat talking about nothing and everything. The evening went by and before you knew it Rich and Ally were making out again. Alex moved inside and became a fly on the wall. Rich changed from a one time satisfied man, to a horny sex slave owner. Calmly, but firmly he directed Ally to suck his dick. Obeying his request she kissed her way down between his legs on the small couch. Once she'd excited his balls and shaft her lips slid over the head of his huge dick. Placing his hands on the back of her head, he forced her to take 3/4 into her throat. Alex moved forward in case she needed help seeing the situation. Without any signs of discomfort, she moved her mouth up and down, making the familiar sounds of pleasurable accomplishment. Alex relaxed, and minutes later Rich rearranged the position putting Ally on the couch so he could eat her. Rich began his oral stimulation by plunging his face into Ally's soaking wet pussy. Alex moved over next to her head presenting his cock for sucking. Rich's oral stimulation caused Ally to moan constantly vibrating Alex's cock in her mouth. Ally's cunt was super sensitive and she erupted in multiple mini-climaxes. Rich, who'd been covered with Ally's flooding cunt, explained the position he wanted Ally in nested.

"Alex, you lay down on the couch. Ally get into the sixty-nine position and suck him off !" Standing behind Ally's ass as she sucked Alex's cock, Rich slipped in doggie style. Within seconds of her pussy being eaten and fucked big the biggest white dick in the world, Ally exploded in sex ending climax ! Falling forward out of energy, she kept her ass up until Rich finished humping. "Thank you very much !" he said getting up off the floor, going of to bed.

Wrapped in each other's arms, Alex and Ally listened to the distant rumbling falling off to sleep. In the middle of the night Ally was woken by a hand on her foot. Rich waved to her to get up and follow. Quietly she got up and followed Rich up to the bow Captain's Quarters .

"I know it's rude to wake you and ask you to leave your husband in bed. Your the only girl I've ever wanted to fuck more than once in a single night. I don't want to force you,.... Could we do it again ?"

"I told you, I could do it all night with you ."

Taking her into his arms he kissed her long and lustfully.

Ally knew she was a little sensitive but life experiences had taught her that within a few thrusts the discomfort would change to erotic arousal. Rich's desire was to fuck her into submission and he did so. Placing her legs up over his shoulders he pounded her ramrod style.

There wasn't much verbal communication, a lot of moans and groans that described the pleasurable feeling between their legs.

Twenty minutes of had fucking and Rich ejaculated in massive loads. Ally loved the erotic feelings of fullness.

Lying together enjoying the afterglow of great sex Rich told her she was the best he'd ever had. Ally gave him a thank you kiss before returning back to her husband's side.

"I'll be back to give you a wake-up blowjob !" Ally seduced as she left for her own bed.

"I'll be waiting right here !" he laughed.

Ally slept until the morning light came through the window.

"Where are you going ?" Alex asked when Ally got up to return to Rich's quarters.

"I'm going to suck Rich awake !" she smiled.

"We're going to leave when your done, so don't take to long, okay ?"

"I won't. I just want that beautiful cock one more time before we leave.

Ally joined Rich who was still sleeping. She quietly pulled down the covers and gently took his limp cock into her mouth. Exciting it, Rich woke up.

"I've always wanted a wake-up call like this !!" he said as she excited the hell out of his balls and dick. Ally repeated the pleasure she'd given him before and he appreciated it even more.

"God can you suck cock !" he gasp sensing his climax approaching.

"You taste good in the morning ! She said tasting his pre-cum.

Rich tried to hold back, but he couldn't . A brief warning and he let it fly. Ally swallowed every drop continuing to suck until the last drops were consumed.

Ally returned to her quarters to dress. Having coffee in the main cabin the three made plans to get together again. Alex and Ally departed for home.

Rich turned out to be a rare one night stand. A memory of the largest white cock experienced.
