

Jon and the "Double"

The first sexual encounters were with long time friends. The very first was mostly humorous rather than erotic. The major result of the first three was the realization that guilt played no part. The sex was fun and the key factor was everyone had full consent. Number four was the encounter that took place in Punta Gorda, FL. Ally and Alex had just moved from their beautiful home in Idaho. Once settled in the new area they decided to create a situation in order to restart their multiple partner sex encounters. Not knowing a sole the only option was the computer. Not being into the age of electronics the web was a scary thing. With an abundance of failures they finally found a listing for personals on the web. Alex made the initial contact by replying to an ad from a male looking for a female. After e-mailing back and forth phone numbers were exchanged. Ally made the first call. The person on the other end of the line was a gentleman from S. Africa, Jon. Over the course of a couple of weeks they talked almost everyday. Finally they agreed to meet at the Oyster Bar at the well known location of Fisherman's Village.

The meeting went so well that they not only had a drink but dinner also. Ally was impressed by Jon's intelligence, and his great looking body didn't hurt. Before parting they agreed to get together this Friday night at Alex's and Ally's home. Jon, the class act he was, presented Ally with flowers he brought down from Tampa. In the parking lot the three acted like friends planning a get together and Jon left knowing he had been accepted by both Alex and Ally.

Friday arrived and Ally made her fabulous Cornish Game Hens and the conversation at dinner was most interesting. Jon had a totally different opinion about the Blacks in S. Africa. He told us that his family farm was taken away by the government and given to the employee's of the farm who not only had been paid for years, but really didn't know a thing about farming in general. He moved to England and then onto Tampa. Currently he was teaching at the local college.

Remember Alex and Ally had not experienced multiple partner sex with anyone but long time friends so it was awkward getting things started after dinner.

"Should we go to the bedroom?" Ally asked. Both Alex and Jon moved before she could change her mind. Once in the master they simply got naked and onto the king-size bed. Ally began the only way she knew how by kissing Jon lustfully.

"Your a great kisser." she smiled.

"So are you." he responded.

Alex took the occasion to check out Jon's equipment. It wasn't the size that got his attention, it was the color! Jon had a black dick. Well it really wasn't black, but it sure was dark. It surely didn't bother Ally because she took it into her hands and mouth without question. Alex knew the first time Ally sucked his cock he'd never let her out of his site and Jon was experiencing why. She began by licking and sucking the head of his dick. He began to moan in erotic pleasure as she licked and sucked her way down his shaft. When she sucked his balls into her mouth he came unglued.

"Oh god, can you suck cock!" he praised.

"You have a beautiful cock Jon. "She seduced.

Ally's method of sucking cock was as if she was making love to it, not just sucking it. In addition to her mouth she used her hands to stimulate any area that wasn't being sucked. Jon was amazed and told her so. Prior to ejaculation she removed his cock, crawled up his body guiding his erection into her cunt. In addition to being a fabulous cock sucker she knew how to ride a dick. Jon either had a hold of her moving ass or tits as she rode him hard. Ally created a path to glorious climax as she kept Jon's cock against her "G"spot.

"Stop!" Jon asked as the pressure to ejaculate built. Ally was beginning to erupt in climax and kept riding until she exploded. Jon began to apologize for his ejaculation.

"I couldn't hold back" he kept saying.

"You held back long enough for me to cum." Ally informed.

"Can we do this again tomorrow night?" he hopefully asked. "I know I can do much better. I didn't realize how good your pussy would feel, plus you sucked me for too long a time.

Ally tried to convince him that he had been good, but he wanted another opportunity.

The very next evening he was back. Being the gentleman he was he brought flowers and candy for Ally. Everyone enjoyed a general conversation before and during dinner. Following an after dinner drink, without instructions they found themselves in the master bedroom. Making out for a short while Ally began to suck Jon's cock in the manner she had last night. This time, before the arousal built up too much he had Ally stop.

The natives of S. Africa know how to eat pussy and Jon was their teacher. He gave Ally so much oral pleasure she lost her breath. The biggest difference, compared to other partners, was how he sucked her entire pussy into his mouth then attacked her clit with his tongue. Ally cried out, "Yes" as the ripples of pleasure passed through her body. Jon fingered her cunt and ass, while exciting the stuffing out of her clit.

"Oh fuck, are you good!" she gasps. Ally never swears, but the pleasure removed any and all inhibitions.

"You like it?" he took time to ask.

"I love it. You really know how to eat pussy!" she seduced.

"You have a beautiful pussy." he praised. Replacing his tongue on her clit, he wet a finger and slid it into her ass!

"How is that?" he questioned.

"Oh, I love it!" she replied.

It didn't take him long to get her erupting in powerful climax. The flood of liquid pouring from her cunt told him she was ready to be fucked. Alex's eyes

were the size of fifty cent pieces as he watched that big black dick slid into her cunt. Ally, pulled Jon down and gave him a big wet kiss. "Fuck me. Make me cum!" she seduced'

Rising up on extended arms Jon began to drive his cock hard into her cunt. Ally would gasp "yes" with each thrust. He pounded for a short while then stopped.

"What's the matter?" she asked.

"I'm holding back." he answered.

"I can feel your dick throbbing in Me." she informed.

"With you on top I couldn't hold back. He said remaining motionless.

"Your dick is throbbing!" she again informed.

"Your pussy is so soft it pulls the cum out of me!"

"Do you like it soft?" she questioned.

"Oh, yes."

Alex, who was watching the affair, suggested Jon take a break, which he did. While relaxing his extreme arousal he watched Alex fuck Ally. They went at it hard and fast with moans and groans instead of verbal acknowledgement. Jon, never before in a threesome situation began to masturbate as he watched Ally get fucked. Alex noticed his undivided attention. "Do you want to fuck her again, now?" he asked Jon.

Jon replied yes and replaced Alex's dick with his own. The encounter had been going on for almost a half hour. Jon was extremely proud of himself for not cumming as yet. Penetrating her soaking wet cunt he began to thrust in hard fast strokes.

"Is that hot!" Ally said as Jon pulled his cock out and shot loads of cum up onto her shoulders and tits. Without pause he re-entered her cunt continuing to thrust for another two minutes. Again he pulled out and shot cum onto her tits. Alex was blown away. He'd seen numerous adult movies and never had he seen a man cum twice in less than three minutes.

"I came twice, what do you think of that?" Jon asked Ally.

"Wonderful, simply wonderful." she answered.

"I didn't think it was possible." Alex replied.

"Your pussy is just so soft it pulls the cum out of me." he explained to Ally.

"I came also, but only once." she added.

"Twice! Almost three times, but I ran out of gas." he smiled.

Jon had a plan that he wanted to share and during the time it took to regain our energy he explained how he wanted to get a motel room up in Venice with Ally and record the entire encounter. At first it sounded like a normal encounter until Alex realized that he wanted Ally without Alex being there.

Alex would achieve his part of the fantasy watching the tape!

Ally asked what was it you want to do that makes it an encounter without Alex?

Jon made a good argument about how it would enhance Alex's arousal knowing Ally was up in a motel with another man. That the sex would be recorded so Alex could enjoy every minute of it.

Ally was all for the Venice encounter and she made her desire known to Alex. Alex was a little reserved because they really knew very little about Jon, but Ally convinced him it would be okay.

The time passed quickly with the next weekend upon them and Ally was ready for her adventure to Venice. Ally drove up to Venice and met Jon at Chili's for dinner. They had a polite conversation at dinner; afterwards Ally followed him to the Motel 6. Once Jon had checked them in, he set up the recording equipment in the room and made Ally her first drink.

The evening started like any sexual encounter with a lot of foreplay. Like Ally, Jon loved to kiss and fondle before the sex began. Their arousal began with tons of passionate kissing. Everything went smooth from the warm-up kissing, to the removal of clothing. Ally preformed her talented act of cock sucking and Jon loved filling her mouth with cum and watching her swallow every drop. Ally was aroused by his dark cock, and beside the color, it was as hard as a rock.

Following the blowjob Jon became very friendly before presenting his fetish that he'd like to preform with Ally.

"Have you and Alex ever experimented with any type of bondage?"

"We've tried almost everything once." she responded.

"I brought some toys with me to try out tonight."

"What kind of toys?"

"All kinds, but I don't want you to see them before I used them on you."

"Just promise me you won't hurt me, okay?"

"I promise. Lets start with a blindfold." Jon suggested as he removed a real blindfold from the small case he'd brought with all the toys inside. After placing the blindfold, he checked to make sure she couldn't see. Laying her down with a pillow for comfort under her head he began by sensually rubbing scented massage oils over her body. With Ally totally relaxed he took one limb at a time and wrapped the Velcro padded wrist bands around her ankles and wrists which he attached to the corners of the bed. Totally spread eagle, with almost no room for movement, Jon began to excite her nipples and breasts. Sucking her tits into his mouth, and then exciting her nipples erect, he attached nipple clips, with long tassel lines that he pulled

on constantly. Ally enjoyed the Nipple arousal responding with continuous moans of pleasure. Jon next moved his attention to her pussy. After placing a small pillow under her ass he began to lick her clit. Working his oral magic down through her cunt lips to her asshole Ally experienced waves of lustful pleasure. Jon would keep pulling the lines attached to her nipples as he ate. Ally seemed to relish the multiple zone arousal. Taking the well known 'rabbit' dildo out of his case, he lubricated it and placed it at the opening of her ass.

"What's that?" she asked feeling the pressure pushing into her asshole.

"Just relax, you'll love it." Jon assured sliding the 'rabbit' into her ass and turning on the vibrating feature.

"Oooh. God, that's good!" she gasp with the feeling in her ass.

The rabbit dildo has a dual function with a selection of moving parts. The larger cock shaped feature was in her ass vibrating and turning, with the smaller feature, a strangely shaped piece, in her cunt vibrating on high speed. Jon's tongue was exciting her clit and Ally was erupting in non-stop orgasm. Jon kept the nipple stimulation going the entire time he ate and vibrated her cunt and ass. The waves of lustful pleasure were so strong Ally struggled to loosen her restraints. She began to ask Jon to stop, but he wasn't paying any attention to her requests.

Once Jon had sucked and licked her clit to full engorgement he took another toy from his case. A clit clip! Ally's first response was "Owe". Again she tried in vain to escape from the bondage. Once he had attached the clit clip he removed the 'rabbit' and put a vibrating ring on his dick before penetrating her pussy. Pulling on the clit clip he humped her pussy with his vibrating cock.

"Oh fuck Jon, that's good!" she said as he began to fuck her with steady long thrusts.

"How's that?" he asked pulling hard on the clit and nipple tassels.

"It hurts so good!" she gasp as he worked the lines with his dick deep in her cunt.

Jon was so excited with his multiple toy applications that he had trouble holding back his ejaculation. When he knew he couldn't last much longer he pulled out, moved quickly up next to Ally's head and said, "Open your mouth."

With Ally's mouth wide open he shot loads of cum into it. Ally's reaction blew him away. She treated it as a welcomed treat, swallowing every drop and keeping her mouth open for more.

Before taking her blindfold off Jon put away all the toys. He removed the clit clip and sucked her sensitive clit one more time. He did the same with the nipple clips, removing them then sucking them in appreciation. The ankle bindings came off before the wrist bindings and lastly the blindfold. Once she was back in control she expressed her enjoyment by showering Jon with floods of kisses.

At the conclusion of their making out Jon had a lot of questions.

"Did you like the clips?"

"The ones on my tits felt great especially when you pulled hard on them. Next time you should pull even harder. The one on my clit, hurt at first until you began to fuck me, then it felt good."

"What about the dildo in your ass? Did you like that?"

"That was the best. I really enjoyed it, especially when you ate me and used the dildo."

"What about being bound-up?"

"It made me feel so exposed to anything you wanted. I actually enjoyed that submissive feeling."

They had one last cocktail before they dressed and went back to their respective homes.

Jon would be a repeat partner for about a year before he fell in love with an English woman and got married.
