

## The Fox

The situation hadn't changed in over a year. The death of Ally's father, and the Care Giving necessary for her mother had pretty much ended their pursuit of multiple partner sex. Living with an older adult who needs care 24/7 limits the time available to enjoy life. Alex determined that their life had to be conducted between 8:30pm and 8:30am and the prospect had to be educated to those factors. Because of the forced layoff the inventory of sex partners had pretty much disappeared. Ally still had her friend Tim, and he came by for sex mornings before Ally's mother was awake. They had been enjoying sexual encounters for over ten years. She never knew when he'd show-up, but at least once or twice a month for blowjobs and quickie's. Both Alex and Ally wanted to get the ball rolling again and planned to seek new friends who could become sex partners.

A particular gentleman, who had been involved with a business associate, became the target of Ally's quest. She learned from Carrie, that Bob was a real nice guy. All Ally remembered was he used to bring Carrie flowers when they were going out and he was a former police officer. After finding out his address from Carrie, Ally drove or walked by Bob's house everyday for three weeks, and nobody was home. The Sunday after Thanksgiving on a drive by Bob's house she discovered he was home. Stopping to visit she learned he had just returned from a trip to Rome with a cruise home. The lady who had made the trip with him asked upon arriving back home if he was considering marriage again. When he told her never again she said "I'm out of here." Ally only stayed long enough to be invited over anytime and to extend an invitation to watch football Saturday night. Upon returning home she explained to Alex that Bob Fox was a great prospect. He was available, he was good looking, he owned a sailboat, and he thought Ally was a hot woman. Alex asked why she hadn't been more physical or at least mentioned her Alternative Lifestyle. Ally said she was going to see him after work and accept the drink he'd offered on her first visit.

Alex is an odd duck according to his friends. He becomes aroused if he knows Ally is having sex with another man. So when she left for work on Tuesday, he suggested she stop by Bob's and have the drink he offered and fuck him!

All day long she thought about the possibilities with Bob. She really didn't know that much about him, but he was good-looking and she knew he was a real nice guy. Her plan was to get him involved in a conversation and introduce her lifestyle. She knew he would either take a pass on a possible friendship or be her next sex partner.

After closing the store at 5:30 she called Alex and told him she was on her way to Bob's. As before, Alex encouraged her to seduce him. Upon arriving she was extremely pleased at the reception Bob gave her.

"Hey pretty lady, how are you today?"

"I'm a little tired from a busy day at Fisherman's. But you sure look better today. Almost over that cold?"

"Yeah, I'm feeling a lot better. Since it is after 5pm would you like that drink?"

"I thought you'd never ask, I'd love it."

Bob lead her into the kitchen where he made her a vodka and himself a scotch. On the lanai they took seats over looking the canal.

"Is that your sailboat?" she asked pointing to the boat dockside.

"That's actually a rental, my boat is being worked on down in Ft. Meyers. Are you a sailor?"

"I used to be when I lived on Cape Cod."

"We'll have to get you back sailing."

"That sounds like a fun idea. I'd really enjoy that."

"That's a very attractive outfit you've got on." He said referring to the jean skirt and blouse.

"Thank you, I get a new outfit to wear each day at the store."

"That means you're not making any money!" he laughed.

"That's true, but I work just to get out of the house anyway."

"What does your husband do?" he inquired.

"Nothing, well he writes short stories."

"What does he write about?"

"Mainly sex stories."

"Oh."

"I came over here on a mission. Before you come over on Saturday night I thought you should know that we practice an Alternative Lifestyle."

"Okay, I'll bite, what's an Alternative lifestyle?"

"We enjoy sex with multiple partners."

"Your swingers!"

"No, we don't swing. We make friends with individuals that we'd enjoy having sex with. We discovered that having sex with friends is both fun and exciting."

"So Saturday night you intend to have sex with me?"

"I was hoping you'd consider it."

"Count me in. Now, does the sex always take place at your Villa?"

"I have consent to have sex with you anywhere. My husband is home right now hoping we screw."

"What?"

"It turns him on when I have sex with other men. He knows I like you because we've talked. He suggested I seduce you today. Are you ready to be seduced?"

"I'm ready sexy, are you?"

"Ah, not out here on the lanai."

"Follow me to the bedroom."

They quickly moved to the master. Bob had a king-size bed and Ally wasted no time climbing onto it. Bob lay next to her, they were both fully clothed. The sexual action began with simple kisses. Bob was sort of on top as he kissed her passionately. Slowly as they kissed he unbuttoned her blouse and began to fondle her tits. Ally, immediately unzipped his pants and removed his cock. She was excited to see his solid, small but rock hard, penis.

Bob had no idea about her oral talent. For the first time in his life the woman sucking his cock loved doing it! The pleasure she gave him was beyond any expectation. He praised her efforts, stating she was the best ever.

Ally, excited his balls, sucking them both into her mouth, she licked the shaft and made love to the head of his dick. Bob was in orgasmic heaven. When the pleasure was so great that ejaculation was at hand he warned her, "You'd better stop, I'm going to cum."

"You can cum in my mouth, I love it!" she informed.

Bob strained to hold back his ejaculation. The pleasure was so good he never wanted it to stop.

"Oh, fuck, I can't hold it!" he let a giant load go into her mouth. Ally's only reaction was to suck harder. He couldn't take his eyes off her as she sucked him dry and swallowed every drop.

"You're incredible!!!" he gasp.

"You taste terrific!" she assured.

Bob knew what he had to do. He was going to give her as much pleasure as she had bestowed upon him. Positioning her in the center of the bed he got between her spread legs. Separating her pussy lips with his fingers he caressed her clit with his tongue.

"Oh, is that good!" She acknowledged.

He had developed a method for eating pussy and it was the most pleasurable she'd ever experienced. Using his tongue, he licked his way from her swollen clit to her virgin asshole. Sucking her cunt into his mouth he excited her clit with his tongue. Ally moaned in lustful pleasure. "Oh god that's good!" After penetrating her cunt with his probing tongue, he replaced it with a digit. The combination of his finger fucking and swirling tongue caused Ally to erupt in climatic pleasure. The strong eruption caused her to ask him to cease because the pleasure was too great. Bob acknowledge her desire but didn't stop. He switched his arousal to her asshole. Ally had never experienced a partner who aroused her ass the way Bob was. The penetrating actions of his tongue loosen her ass up and he followed the tonguing with a thrusting digit. Ally erupted in climax. Her body twisted and turned as the pleasure ripped through her body.

The constant finger fucking of her ass and cunt coupled with the lashing of her clit soon had her begging for him to stop.

"Please stop! I can't take any more!" she cried.

Bob lifted his buried face from her hot, wet, cunt. "You can handle it." he informed her continuing to excite her clit.

"No. Please stop. I can't stop Cumming!"

He didn't follow her requests and ate her into another powerful explosion.

Ally only knew of one way out. "Fuck me! Please fuck me." she begged.

Bob immediately ceased and crawled up her moist body. As their lips met in passion, Ally grasps his erection and guided it into her cunt. His very first thrust to the depths of her cunt was welcomed with "Oh god, is that good!" In the missionary position he maintains a steady pounding and Ally loved it. "What a lover!" she gasps.

"Your cunt is so tight!" he informed.

"I love your cock in me!" she praised.

Bob rose up into a modified missionary position and began to pound Ally's cunt with long hard strokes. As hard as he pounded her, she fucked him. Placing her legs up over his shoulders, as he switched into a kneeling ramrod entry she begged to be fucked harder.

"Oh yes!" she cried as the pleasure built. "Fuck me. Fuck that Pussy! Make me cum!"

Bob did as she asked, fucking her into submission. He pounded her so hard the sound of bodies crashing together filled the room.

Ally began to scream "YES" over and over again.

The sensation of a pending ejaculation began to take over Bob's thrusting. To avoid ending their erotic action he switched the position again. Withdrawing, he flipped her over onto all fours and entered her doggie style. The penetrating thrusts were so hard that they would lift Ally off the bed. He held onto her hips driving his hard cock even deeper into her climaxing cunt.

"Oh yes! Oh god, I'm Cumming!" she informed.

Flipping her back onto her butt, he grabbed her ass with both hands a drove his cock as deep into her cunt as possible. She immediately got his attention with, "Fill me with cum!"

A short flurry of thrusts, animal sounds from his lips and he let massive loads of cum fill her cunt. Ally could feel the explosion inside asking him never to stop. The hot sex action had reduced to a slow constant humping. They didn't want their encounter to end. They continued to grind their bodies together until Bob's cock began to soften.

"Was that good Ally?" he asked giving her a tender kiss on the lips.

"That was fantastic!" she answered.

They remained in each other's arms for quite awhile before getting up and returning to the lanai.

"I know this is going to sound like a line, but that was the best sex I can ever remember." Bob informed Ally.

"It was for me too!" she confirmed.

"Are we still on for Saturday night?" He asked.

"I was thinking maybe Friday morning we could have coffee and Saturday is a definite."

Bob had to ask, "You're sure this won't upset your husband, all the sex I mean."

"Like I told you, it just turns him on. The more we screw the more he likes it."

"Well I can tell you the more we screw the more I like it!" He explained.

"I can't wait until we do it again." she replied.

After cleaning up in the bath Ally met Bob in the foyer. They embraced passionately ending with Bob saying, "I don't believe it but I'm ready to go again."

"You are?"

"99% of the time I can't do it again until the next day. But you woman, you make me so Horny that I'm ready to do it again right now!"

"Now?"

"Yeah, right now."

"Okay, you don't have to ask me twice." Ally took Bob by the hand and led him back to the master bed. Kissing, at the foot of the king-size bed, Ally dropped to her knees taking Bob's growing erection into her mouth. Ally began with long deep throating thrusts and Bob went crazy. "God, can you suck dick Ally!" he gasp as she continued to deep throat his little dick. Placing his hands on the back of her head he guided her mouth up and down his rock solid shaft. Enhancing the arousal by massaging his balls she paused in the deep throating and took both and into her mouth.

"Oh fuck, is that good!" he gasp as she excited the engulfed balls. Bob released a gasp of relief when Ally released his balls returning to the engorged head. After making lustful love to his dick's head she positioned herself on top of Bob's body and guided his stiff dick into her pulsating pussy. For the next ten minutes she rode Bob's dick like a paid for whore. Ally's "G" spot was being excited by Bob's buried cock and she was going to fuck him until she exploded.

"What a great fuck!" he told her. "You'd better stop or I'm going to cum."

"Cum with me!" she gasp. "Fill that cunt with cum!"

"Oh, you sexy bitch, here it cums!!!!" Bob released a huge load.

"Yes, oh yes, fill me!"

"Oh, shit! I'm cumming again!" he emptied several more loads into her cunt.

"Oh, god that was good! Ally said as she dismounted. A massive stream of cum poured from her cunt as she lifted off Bob's dick.

"Holy shit Ally, you've been fucked!" he laughed seeing the abundance of lust liquid pour from her pussy.

"By the best." she answered.

They remained recovering in each others arms for awhile before Ally got up to clean-up and left. The foyer was the setting for their last kiss. Bob joked about not being ready again this time and Ally was able to return to her Villa.

The detail explanation of the encounter to Alex resulted in Alex fucking her, enjoying his favorite fetish, sloppy seconds. The announcement of the planned encounter Friday also excited Alex.

Over the next couple of days Alex and Ally made love several times fantasizing about the up coming encounter with Bob. The date for Friday morning coffee couldn't come soon enough. Alex woke at seven with the only thought on his mind, his wife being fucked at coffee with Bob. He gently woke Ally by running his hands over her body. As she woke, he reminded her that she'd be in bed with Bob in about sixty minutes. Ally moaned in anticipation of the remarkable sex.

Unlike a normal morning walk, Ally spent time in the bathroom putting on make-up and getting her hair perfect before going out the door. As she approached Bob's house she noticed him out on the front entry waiting for her arrival.

"Good morning gorgeous!" he welcomed.

"Hi, handsome." she replied.

They embraced in front of the door before going in.

"How do you like your coffee? He asked once inside.

"Half & half and sweet and low." she answered.

Coffee in hand they settled on the couch in the family room. The conversation was general until the beverage was consumed. Ally made the first sexual move by sliding her hand under his robe and taking his dick in hand.

"I've been thinking about this." she said holding his dick firmly. Bob responded by sliding his hand under her shorts saying, "And I've been thinking about this!" They engaged in an abundance of romantic style kissing. Bob was finger fucking her when she slid from his fingers onto the floor and took his cock into her hands and mouth.

"All I thought about since our encounter was your beautiful cock."She exclaimed.

"I want you so much. All I can think about was the sex we shared. You're a dream come true."

"A wet dream maybe!" she laughed.

"Ever since my divorce I've been looking for a woman who I could share a sexual relations with, without any strings. Everyone, without exception, wanted to get serious, marriage and the like."

"You know all I want is to be friends with benefits."

"I know. It's the benefits without the strings I like."

Ally returned to sucking his dick in earnest. He laid his head back on the bed enjoying the wonderful feelings on his dick. Being excessively Horny she began to deep throat him. She didn't need assistance so Bob gently placed his hands on her head feeling the thrusts as they occurred. Ally applied her oral talent as usual providing the most erotic pleasure available. Unlike their first encounter Bob said, "Oh no you don't, I'm not going to cum in your mouth, I want your pussy!" Lifting Ally onto the bed, he removed her remaining clothing. Eating her just enough to get her wet he penetrated her pussy. "Oh, I've missed that!" she said as his dick sank into her cunt.

"Holy shit are you tight and hot!" he gasp. The humping was non-stop and the force of his thrusts increased over time. Ally really loved it and begged him to fuck her harder and faster. Positioned in a straight armed positioned, the modified missionary, he began to pound her pulsating pussy.

"Oh Bob, your the best!" she praised as he fucked her aggressively. The morning sex was short, but very satisfying. Ally climaxed when he climaxed and they continued to fuck until Bob's dick popped out of her cunt. Ally had to be at work at ten. She managed to collect enough energy to dress and leave. Before her departure she reconfirmed the encounter for tomorrow night. Bob said he would be there with bells on. Ally gave him one more kiss, which sent the message that she was looking forward to fucking him tomorrow night.

As always Alex was excited by the encounter Ally had experienced with Bob over coffee. The main subject on their agenda was the upcoming sex Saturday. The conclusion was a threesome!

Saturday evening was upon them and Bob was at the front door. Ally ran to greet him and prepare him to be introduced to Alex. With a drink in hand Ally introduced her husband to Bob.

"Ally told me you were the best partner she's ever had." Alex welcomed Bob.

"She's surely the best I've ever had."He answered and shook hands.

"Ally tells me you have a sailboat?"

"I have a rental, my boat is in dry-dock."

"I have this fantasy about Ally being fucked by two guys on a sailboat."

"We certainly could arrange for that in a heart beat."

"I've learned from Ally that you used to be in narcotics. I won't smoke if it bothers you."

"I don't have a problem with it. Most of my friends smoke. If you don't mind me fucking your wife, I don't care if you smoke." he laughed.

"Has Ally told you about our plan?"

"What plan is that?"

"We would very much enjoy the opportunity of becoming friends. In addition to the sex we'd enjoy going sailing, out for dinner, to a sports event like NASCAR."

"I don't see a problem with that. Ally didn't tell me she was into NASCAR."

"We've been talking about going to several races this year; maybe we could plan a trip together. Back in the old days I used to work on sailboats in Marblehead, Ma. I don't remember much but if you need a crew I'll volunteer."

"Both of those ideas are reasonable. I haven't been to a race in years and I do need a crew member."

"You two found things to do already, what about me?"

"We both want to do you Babe."

"Now you're talking!"She laughed.

"I think we can be sure that a friendship is developing here. The one thing I don't want to do is screw it up. What are the rules?"

"Simple, Ally is in charge of the sex. If she says okay, it's okay. Just so you know she has my full consent to have sex with you any time or place she wants. Fair enough?"

"Sounds fair to me."

By the time the second round of drinks had been served and consumed Ally was ready to get the fun part of the evening started. She moved over and took a seat next to Bob. Alex moved to her other side. While Ally began to make out with Bob, Alex began to explore her body with his hands. When Ally turned to caress Alex, Bob used his hands to explore her body. Following several minutes of warm-up Ally began to remove the two cocks sitting next to her. When she bent over to begin to kiss the head of Bob's cock, Alex ran his hand between her legs and began to excite her pussy. As the clothes came off, Ally made the suggestion they move into the bedroom.

Ally laid on her backside in the center of the bed. Bob and Alex positioned themselves on either side. Each kissed, licked, fondled, and squeezed her body parts. With nipples in each of the boy's mouths, Ally stroked their rigid cocks. Bob was the first to benefit from her oral talent. Alex got behind her, slipping his cock into her pussy as she sucked Bob's cock. The cruel hard facts are that when the sex is great, the duration is usually short and Bob

was at that cross roads. He knew if he allowed Ally to suck his cock much longer he would climax and end his participation.

"Switch with me." he requested from Alex. Alex switched.

Bob mounted Ally and began to penetrate her aroused pussy. Kissing her as they fucked enhanced the arousal for Ally. She loved being romantic more than lustful and Bob was fulfilling that aspect. During their passionate caresses they began to praise each other's ability. Casting out Alex's dick from her mouth, she concentrated on Bob's cock in her cunt.

"Fuck me! Fuck me harder!" she begged. Bob began to thrust in hard pounding strokes.

"Yes, oh god yes, fuck me!" she praised. Bob continued to excite her cunt with his dick. To gain deeper penetration he grabbed her ass with both hands driving his dick hard into her pussy.

"What a fabulous lover! I love your dick in me! Oh Bob, fuck me!" she seduced.

Bob kept up his attack until he felt his ejaculation approaching. Not wanting the evening to end he once again asked Alex to take over?

"Babe, are you wet!" Alex said as he penetrated her cunt. Using the modified missionary position he began to make long, strong, strokes. Ally wrapped her legs around Alex's waist so he could reach maximum depth. They'd been fucking aggressively for about ten minutes, Ally's arousal had reached an all time high, and she displayed it by asking sometime never before mentioned in one of their threesomes. "Bob, take me up the ass!"

He surely didn't need to be asked twice, getting into a position above Alex and between all their legs. A quick thrust and Bob was in her ass!

"Oh fuck, is that good!" she acknowledged as Bob began to fuck her asshole. He could tell by her response to his penetration that she loved two dicks in her at the same time. Both men moved in unison making the pleasure incredible.

"Fill me, fill me with cum!" she pleaded.

Bob let his massive load go which stimulated Alex to cum in her cunt. Ally joined them in multiple climaxes. A triple cum! The first for all involved. A short time lying together on the bed enjoying the great feelings a big climax produces and Ally rose to go clean-up. As she stood next to the bed Bob noticed the rivers of cum pouring from both her ass and pussy.

"Holy cow woman have you been fucked!"

"I know and it was great!!" she smiled.

The erotic part of the evening was over everyone had achieved maximum orgasm and there was talk of getting back together as soon as possible.

The one suggestion made went right to the top of the list, a day sail on Bob's boat. Ally referred to the suggestion as an orgy at sea.

The encounter had resulted in three strangers becoming intimate friends. The future would most likely bring numerous sexual encounters.
